FULLTEC OIL MAX

Application Technology

Oil

GUARANTEED ANALYSIS:

Methylated Seed Oil.....40.00%
Constituents Ineffective as Spray Adjuvant.....60.00%

Product Description:
Fulltec Oil Max is a high-performance MSO formulated with an EW emulsion, developed to maximize the effectiveness of agricultural applications under real-world conditions. Its formulation is based on the content of functional oils, a robust emulsifying system, and the incorporation of water hardness sequestration, guaranteeing stability, compatibility, and ease of use.

CAUTION!

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS:

CAUTION: May cause slight irritation if allowed to directly contact skin or eyes. Do not take internally. Avoid contact with or inhalation of the spray mist. If product is being mixed with pesticide(s), follow all precautionary statements on the accompanying pesticide(s) label(s).

FIRST AID:

If in eyes: Immediately flush eyes with clean water for at least 15 minutes. If irritation persists, seek medical attention.
If on skin: Remove contaminated clothing and wash skin with soap and water. Seek medical attention if irritation persists.
If inhaled: Move victim to fresh air. If victim stops breathing provide artificial respiration, if needed, seek medical attention.

If swallowed: Do not induce vomiting unless told to do so by a poison control center or a doctor. Seek medical attention.

STORAGE AND DISPOSAL:

Protect product from freezing (store above 32°F) and avoid extreme heat.

Store product in the original container. Keep tightly closed, in a cool, dry area. Store out of the reach of children and animals. Avoid contamination of water, food or feed with equipment cleanup and disposal of the product or spray waste.
After use, rinse thoroughly and dispose the container according to local state and federal regulations.
Product best when used within three years of manufactured date.

DIRECTIONS FOR USE:

Prior to use, read all directions in this label.
User should consult a trained agronomist or a certified crop advisor for specific recommendations.
This product is for use with Herbicides (including desiccants), Insecticides, Fungicides, PGR's and nutritionals, in the crops listed in the label.
