General information: Fulltec
Carbon Seed is a seed treatment
fertilizer with macro and
micronutrients, aiding in the
planting process and seed
emergence that degrade
organic matter, contributing to
a regenerative agriculture.

Net Weight: 14 lbs/(6.35 kg)

Dosage: 3.2 oz/100 lbs

WARNING

This fertilizer is to be used only on soils which respond to molybdenum (Mo). Crops high in molybdenum are toxic to ruminants.

CAUTION!
KEEP OUT OF REACH OF CHILDREN
See the precautionary statement below

PRECAUTIONARY
STATEMENTS
CAUTION

BEFORE USING THIS PRODUCT READ ALL PRECAUTIONS, DIRECTIONS FOR USE, AND CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

CAUTION: May cause slight irritation if allowed to directly contact skin or eyes. Do not take internally. Avoid contact with or inhalation of the spray mist. If product is being mixed with pesticide(s), follow all precautionary statements on the accompanying pesticide(s) label(s).

WHAT TO DO IN CASE OF CONTACT:

If swallowed: Do not induce vomiting unless told to do so by a poison control center or a doctor. Seek medical attention.
If in eyes: Immediately flush eyes with clean water for at least 15 minutes. If irritation persists, seek medical attention.
If on skin: Remove contaminated clothing and wash skin with soap and water. Seek medical attention of irritation persists.
If inhaled: Move victim to fresh air. If victim stops breathing provide artificial respiration, if needed, seek medical attention.
If contact is made with the spray solution containing pesticide(s), follow the "statement of practical treatment/first aid" on the pesticide label.

WARNING

This product contains Boron. Do not use on plants sensitive to Boron. Excessive use or over application rates of boron may cause serious crop injury. Use of the fertilizers on any other crop than those recommended may seriously injure the crop.

CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations and Remedies before using this product. If the terms are not acceptable return the product, unopened, and the full purchase price will be refunded.

SPRAYTEC warrants that the chemical composition of this product conforms to the label description and that the product is reasonably fit for the purpose referred to in the "Directions for Use" on the label. The label is believed to be reliable and should be followed carefully, injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Spraytec or its Sellers.

The company warrants that this product conforms to the description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty or merchantability or fitness for any purpose and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action to the handling or use of this product shall be limited to, at Spraytec's election one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of the sale and limitation of warranty, liability and remedies.

DIRECTIONS FOR USE

This product is for use in a balanced program for the crops listed in the label. User should consult a trained agronomist or a certified crop advisor for specific recommendations. Fertilization with primary nutrients will not provide the quantities of nutrients required for normal plant growth. This product may cause growth inhibition if applied in higher than recommended rates or concentrations. Use only as a supplement to a regular fertilization program. Seed fertilization can be an effective remedy for diagnosed plant deficiencies of secondary nutrients and micronutrients but may cause plant damage if applied at more than recommended rates or concentrations. Use of this product is recommended only as a supplement to a regular fertilization program and only on plants with confirmed secondary nutrient or micronutrient deficiencies.

Apply the product directly in the seed planter.

Soybeans, 3.2 oz/100 lbs.

CROPS: Beans, Berries, Cereals/Small Grains, Corn, Cucurbits, Grapes, Nursery Crops, Nut Crops, Peanuts, Potatoes, Pulse Crops, Rice, Soybeans, Sugar Beets, Sunflower, Vegetable Crops and Wheat.

STORAGE AND DISPOSAL

Protect the product from extreme heat.

Store product in the original container. Keep tightly closed, in a cool, dry area. Store out of the reach of children and animals. Avoid contamination of water, food or feed with equipment cleanup and disposal of the product or spray waste. After use, rinse thoroughly and dispose the container according to local, state and federal regulations. Product best when used within three years of manufactured date.
