General Information:

Fulltec Plus ST is a nutritional and plant health seed treatment that aids on seed emergence.

CAUTION!

KEEP OUT OF REACH OF CHILDREN**PRECAUTIONARY STATEMENTS:**

CAUTION: May cause slight irritation if allowed to directly contact skin or eyes. Do not take internally. Avoid contact with or inhalation of the spray mist. If product is being mixed with pesticide(s), follow all precautionary statements on the accompanying pesticide(s) label(s).

FIRST AID:

If in eyes: Immediately flush eyes with clean water for at least 15 minutes. If irritation persists, seek medical attention.

NET CONTENTS: 1.25 GALS. (4.73L)

NET WEIGHT: 14.29 LBS (6.48kg)

If on skin: Remove contaminated clothing and wash skin with soap and water. Seek medical attention if irritation persists.

If inhaled: Move victim to fresh air. If victim stops breathing provide artificial respiration, if needed, seek medical attention.

If swallowed: Do not induce vomiting unless told to do so by a poison control center or a doctor. Seek medical attention.

STORAGE AND DISPOSAL:

Protect product from freezing (store above 32°F) and avoid extreme heat.

Store product in the original container. Keep tightly closed, in a cool, dry area. Store out of the reach of children and animals. Avoid contamination of water, food or feed with equipment cleanup and disposal of the product or spray waste.

After use, rinse thoroughly and dispose the container according to local state and federal regulations.

Product best when used within three years of manufactured date.

DIRECTIONS FOR USE :

Prior to use, read all directions in this label.

User should consult a trained agronomist or a certified crop advisor for specific recommendations.

This product is for use in a balanced program for the crops listed in the label.

Rates

Application	Rate of Fulltec Plus ST
Seed Treatment	3.0 - 4.0 oz/100 lbs of seed
In-Furrow	4.0 - 8.0 oz/acre

WARNING: The application of fertilizing material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals. Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rains are expected.

SHAKE WELL BEFORE USING.

WARNING: This product contains Boron and is intended for use only on crops recommended below. Its use on any other crops or under conditions other than those recommended may result in serious injury to the crops.

Crops:

Apples, Beans, Berries, Cereals/Small Grains, Citrus, Corn, Cotton, Cucurbits, Grapes, Nursery Crops, Nut Crops, Ornamentals, Peanuts, Potatoes, Pulse Crops, Rice, Sod/Turf, Soybeans, Sugar Beets, Sunflower, Vegetable Crops, Wheat.

Compatibility:

This product can be used/mixed with insecticide and fungicide seed treatments, but a "jar compatibility" test should be conducted for unfamiliar mixes in order to determine compatibility.

Mixing:

Apply Fulltec Plus ST as a water-based slurry utilizing standard seed treatment equipment which provides uniform seed coverage.

Thoroughly mix the specified amount of Fulltec Plus ST into the required amount of water and other seed treatment products. Follow the manufacturer's application instructions for the seed treatment equipment being used. Maintain constant agitation of the slurry during the treatment.

This product does not contain dye. To comply with 40 CFR 153.155, all seed treated commercially with this product must be colored with an EPA-approved dye or colorant of a suitable color to prevent accidental use as food for man or feed for animals.

Allow seed to dry before bagging.

While the carrier is agitating, add tank mix ingredients in the following order:

1. Fungicide/Insecticide
2. **Fulltec Plus ST**
3. Polymers and dyes
