Description

FULLTEC IMPULSE

Fulltec Impulse Corn/Soy is the complete package with four products that have been extensively researched and tested. The combination of these products not only promote vigorous plant growth but prepare the plants to withstand and tolerate stress.

CORN
PER ACRE
PROVEN
+\$9.05 ROI/ACRE

SOY
PER ACRE
PROVEN
+\$13.81 ROI/ACRE

Main Benefits:

Efficiency

The EDTA provides the nutrients with an organic coating, improving their absorption and translocation.

Technology

Combination of amino acids and nutrition to prevent losing yield potential throughout the season.

Convenience

Fulltec Impulse provides more benefits in one box than multiple products do separately.

Directions

Product	Rate of Fulltec Impulse	Timing	Notes
Impulse Soy	80 acres/box	V3 - R4	Products should be added to the tank in sequence 1 to 4.
Impulse Corn	80 acres/box	V3 - R4
