Description

NUTREKIT

NutreKit is a bovine nutritional complex designed for application directly on forages. This ensures greater natural mineral supplementation while also promoting greater vigor and more volume per acre. The nutrients, vitamins, and amino acids, provided in organic form by NutreKit to the plant are fully utilized, consequently increasing milk or meat production in your herd.

N P Ca Mg Cl Co Cu Fe Mn Mo S Zn

Main Benefits:

Pasture	Increased quantities, digestibility, and palatability of fibers and dry matter are greater per acre.
Herd	Amino acids, vitamins, macro and micronutrients when ingested are fully used by the animal.
Health	It nourishes the plant, strengthens the root, and ensures greater tolerance and resistance to pests and diseases, ultimately providing greater health to forages.

Directions

Crop	Rate	Growth Stage
Forage	10 oz/acre + 5 oz Fulltec Zinc 10 oz/acre + 10 oz Fulltec Nitro	New Seeding - apply after 30 days old Old Seeding - apply 7 days after cutting or grazing

Results

Native Field	NutreKit (20DAA)
